COMMERCIAL AND DISPLAY FIREWORKS

DUNBAR, PENNSYLVANIA, U. S. A.

FIFTY-THREE YEARS OF EXPERT SERVICE

FIRE YOURSELF DISPLAYS

TRANSPORTATION ALLOWED

If you live within a radius of 500 miles from our factory we allow free transportation on all orders over \$100.00. Orders from points beyond the 500 mile limit are credited with the 500 miles maximum transportation allowance.

5% Discount Allowed For Cash With Order

TERMS

Open account shipments for July 4th are due and payable on July 10th.

Other open account displays are payable 6 days after the fireworks have been used. Other invoices are strictly 10 days net after date of shipment.

YOUR CREDIT IS GOOD

Open account shipments will be made to Chambers of Commerce, American Legion, Retailer's Association, well-rated Merchants, States or Municipal Institutions, Golf and Country Clubs, State or County Fairs, and Civic Organizations, if order is signed by an officer of the organization.

YOU CAN HELP US HELP YOU—IF YOU ORDER EARLY

Our display assortments enjoy the largest popularity, which creates great demand.

We store goods until the day you want them to be shipped.

“KEYSTONE”

Offers you Quality Tested Fireworks Displays at lowest cost. You can pay more, but you can't buy equal values at any price.

You get more larger shells and a greater variety of multiple break shells. This assures you a professional show without an expert.

Remember! Keystone offers you
**QUALITY-QUANTITY-PRICE
 AND SATISFACTION**

BOMBSHELL MORTARS

We loan proper firing mortars for all our assortments, making a memorandum charge at the regular prices listed below, which charge is cancelled upon return of mortars to us, by FREIGHT, not Express, prepaid. The equipment is now expensive and is not replaceable.

3-inch Steel Mortars, for firing 9-inch Shells	
Each	\$5.00
4-inch Steel Mortars, for firing 12-inch Shells	
Each	\$7.50
5-inch Mortars, for firing 15-inch Shells	
Each	\$10.00
6-inch Mortars, for firing 18-inch Shells	
Each	\$12.00

All Goods Tested and Thoroughly Inspected

Every item is rigidly inspected during the process of manufacturing and after completion, a test is made from every lot.

After years of manufacturing honest values, we have not only picked up better ways, we have picked up a sincere confidence in our products, which is one of the reasons we keep on growing.

PLEASE NOTE—If you are planning for a large celebration or centennial, special programs are available for the occasion. Expert operator service is yours for the asking, without cost or obligation. Just tell us the amount of your appropriation.

How Aerial Shells Are Measured

The Pyrotechnic industry measures Shells by circumference, therefore a 3-inch shell in Diameter is called 9-inch. It is measured in circumference. A 4-inch shell is called 12-inch, a 5-inch shell is called 15-inch, and a 6-inch shell is called 18-inch, etc.

DON'T BE MISLED

Some of our worthy competitors are offering elaborate discounts. After you have deducted their discount please make a comparison with one of our displays at the same price. You will find KEYSTONE offers you more shells for your money. Also our displays are well balanced because we do not offer a large number of one (1) break 9 inch shells. Compare the number of multiple break shells in our displays with others and you will realize why KEYSTONE displays are more entertaining and spectacular.

**More Shells — More Fancy Larger Shells
More Multiple Break Shells Per Display**

\$100.00 Aerial Display

The Chief of our display department has included Bombshells producing the latest colors and effects in this wonderful display.

If you are looking for value and your appropriation is limited, try this show. You will find you can not duplicate its value elsewhere for the same price.

\$112.50 Aerial Display

Now here is something new in the way of Fire-yourself Displays. A complete multiple break display. So many of you have asked for a display without any one-break shells. Well, here it is, not a single one-break shell; plenty of noise and variety. Surely a crowd-pleaser and we are happy to be the first manufacturer to list a display of this type in our catalogue. You can't go wrong on this show.

- 5—9-inch Aerial Salutes—Exploding high in the air, heard for miles.
- 1—9-inch Two Break—Old Glory and Silver Comets.

The King Pin of Them All

Display No. 85

\$85.00

FOR PUBLIC OR PRIVATE EXHIBITION

A well-balanced display should include both low ground and aerial fireworks features. Whenever possible to use a ground display, the committee in charge should give it serious consideration. A ground display lasts longer and is more entertaining than an exclusive aerial. However, all fireworks displays should include aerials to make them complete. This ground display is very reasonably priced, but very beautiful. Easy to handle because we furnish enlarged Blue Prints and instructions. It is shipped all assembled and securely packed.

See Complete Arrangements of Set Pieces 

SET PIECES

KEYSTONE'S 53rd YEAR

This is our 53rd Year producing fireworks for the enjoyment of all, from coast to coast and overseas. We have constantly strived to produce better color combinations and effects and a greater variety of shells for each display, whether small or large. We offer more larger shells and more multiple break shells. We invite comparison and after using one of our displays you will be convinced of the superior nature of our products. No Commercial Fireworks are used on any of our displays. The greatest drawing attraction of all is . . . FIREWORKS. Get the Best — Get KEYSTONE.
